A FREE GIFT TO THE AMERICAN PEOPLE. WHAT THE FEDERAL TROOPS ARE FIGHT

ING TO SUSTAIN. HOW OUR SOLDIERS SHOULD BE PREPARED

TO FIGHT. It is a singular fact that a large majority of the people of the United States are unacquainted with the great importance of the cause for which the soldiers of the Union are fighting. Let every man and woman throughout the United States care-fully read and study the Constitution of the United States, they will become constitution of the United States, they will become convinced of the holiness of our cause and of the wickedness of those who The Balsamic Cordial is entirely a Vegetable of our cause and of the wickedness of those who are striving to overthrow this grand palladium of

We believe that had the reading of the Consti-We believe that had the reading of the Consti-tution been adopted as a daily lesson in every school throughout the United States, the doctrines of secession and states rights would never have at-tained the position of a political question; nor would the country have been called upon to mourn for the unfortunate wraighing and misconstructions that have arisen, and which so many of our states-men have lost their time in attempting its inter-

men have lost their time in attempting its interpretation.

Millions of our citizens have never thoroughly studied the constitution, and even at the present time, when it is the duty of every citizen of this country to inform himself of the rights and privileges secured to him, under its protecting arm, it is not in one household to five hundred. In view therefore, of correcting the great oversight, and to furnish every to farmsh every man, woman and child through-out the United States with the means of studying

elements in an army to ensure success. Discipline without health will prove as ineffectual as shot without powder. Health is the propelling force of the army, and is the symbol of victory. It is, therefore, of the greatest importance, that the system of medication best adapted for the pro-tection of moldiers against sickness, as well as that known to be the most speedy and effect all in re-storing the sick to health, without regard to pro-fessional prejudice, be adopted.

This is no time for medical martinets to quitble about professional dignity. All the dignity the profession can bring to lear will neither prevent sickness among the troops nor cure those afflicted. Our armies, to be successful, must be kept in a healthy condition; and the most sure means of securing this desideration. curing this desideratum is through the remedial powers of These medicines are for sale by all respectable RADWAY'S READY RELIEF.
